संदर्भ: ERLDC/SO/Peak Hour/2020-June

दिनांक : 22nd May, 2020

To,

Head of SLDCs/ISGS and IPP Generators

Subject: Declaration of Peak hours of ER for the month of June- 2020

Sir,

Sub-clause (3) of clause 42 of CERC (Terms and Conditions of Tariff) Regulations, 2019 states as

> *"... The number of hours of "Peak" and "Off-Peak" periods during a day shall be four and twenty respectively. The hours of Peak and Off-Peak periods during a day shall be declared by the concerned RLDC at least a week in advance ..."*

Accordingly, as per decision taken in 163rd ER OCC meeting, **July, August and September are declared as the high demand season for the year 2020-21** for Eastern Region. Further, as per the last year June-2019 demand pattern, **19:00 hrs to 23:00 hrs** would be considered as **peak hours for the month May 2020** in Eastern Region which shall be effective from **01st June, 2020.**

As per Sub-clause (3) of clause 42 of CERC (Terms and Conditions of Tariff) Regulations, 2019, in case of a generating station having beneficiaries across different regions, the High Demand Season and the Peak Hours will correspond to the High Demand Season and Peak Hours of the region in which majority of its beneficiaries, in terms of percentage of allocation of share, are located.

सधन्यवाद

भवदीय,

कार्यपालक निदेशक
